

Greetings from North Carolina!

My name is Judy Hardin Harkin and I am very honored and pleased to have been selected as the Journey Home Consultant for Clan Donnachaidh. In that role, I help our fellow clansmen with questions about attending the Clan Society's Annual General Meeting (AGM), suggestions for planning a trip to Scotland, and info on interesting places in Clan country and in Scotland in general.

In these newsletters, I hope to give you a small taste of Scotland – through stories of places and events, and with information that may prove helpful in planning your own trip to this ancient and majestic land of our ancestors.

I am not a travel agent -- I do not make reservations, etc. – I am simply someone who loves Scotland, our Clan, and who wants to help you make the most of your visit, be it real or virtual.

I am a Donnachaidh by marriage thanks to my husband Duncan. We have been members of the Clan Society in Scotland since 2000. I find the history and culture of Scotland fascinating -- especially the part that Clan Donnachaidh has played. We as a clan have much to be proud of.

As the Journey Home Consultant (JHC), I look forward to helping YOU discover this ancient and wondrous land.

If, however, you would prefer not to receive future Journey Home To Scotland newsletters, please send a note to journeyhometoscotland@yahoo.com and I will remove your address from my mailing list.

Planning a trip to Scotland, or want information? Please send an email to the address below.

And be sure to check out page 5 for information on this year's Annual General Meeting in Scotland.

Slàinte (Health!),

Judy Hardin Harkin
